D.A.V Public School, R.P, CCL 2018 - 2019

- CBSE (Class X), Aggregate: 83%

Projects

To-Do List | [Github](#) Feb'19

Successfully created a user-centric app that demonstrates front-end development skills, responsive design, and data persistence.

- **Responsive To-Do List App:** Built a functional to-do list using HTML, CSS, and JavaScript with a clean, user-friendly interface.
- **UI Design:** Crafted a visually appealing and intuitive design using CSS.
- **Dynamic Features:** Added task management features like add, edit, delete, and mark as complete using JavaScript.

Personal Portfolio Website | [Github](#) Jan'25

Successfully created a visually appealing and functional portfolio that effectively showcases my web development skills.

- **Responsive Portfolio Website:** Designed and developed a personal portfolio using HTML and CSS with a clean, professional look.
- **UI/UX Design:** Ensured intuitive navigation and a consistent user experience across devices.
- **Custom CSS Styling:** Applied custom CSS for animations, hover effects, and responsive design.
- **Responsive Design:** Optimized the site to adapt smoothly to mobile, tablet, and desktop screens.

Certifications

- [WassupBot Internship](#)
- [InternPe Internship](#)
- [UI/UX Google Certified](#)

Academic and Extracurricular Achievements

- **Event Management:** Actively involved in organizing technical fests and workshops at the college.
- **Sports:** Played Badminton at college level, showcasing teamwork, leadership, and perseverance.
- **Art/Craft:** Created a diverse portfolio of artwork, demonstrating strong artistic skills and a keen eye for detail.
